## Terms and Conditions of Data Release

### Data Ownership

- The information held by the DGERC belongs to either the DGERC or such organisations, groups or individuals from which the DGERC sources information, and in all respects copyrights shall remain vested in such parties notwithstanding any payments made. All rights to the data are retained.
- It is the responsibility of the person requesting information from the DGERC that all other staff working on/accessing data sourced from the DGERC should be made aware of these Terms and Conditions.

### Data Accuracy

- Data held by the DGERC, although verified as far as possible, are not definitive.
- There may be data concerning items in the ecological environment that are as yet unknown to the DGERC which were not recorded in the DGERC at the time of this enquiry. Similarly there may be data held by other individuals and organisations which the DGERC is presently unable to access. The absence of information does not infer absence of biological/environmental interest. The DGERC will not be held liable for the absence of any data.
- The DGERC does not warrant the accuracy of any information supplied and shall have no liability for any loss, damage or expense incurred as a result of reliance on any information supplied.
- The data held by the DGERC is updated regularly and is likely to become out-of-date quickly. If you intend to use this data after a period of 6 months please contact us to check that we have no new data for the search area.

### Use of Data

- Data may only be used for the purpose stated in the data request form, contact the DGERC to inform if any changes to data use occur.
- Permission to use the data sourced by the DGERC expires after 6 months from receipt, see point 4 under Data Accuracy.
- Data sourced by the DGERC must be referenced as such, including the date on which the data search was conducted.

### Aerial Photographs

- All images remain ©Solway Heritage and are released only for the purpose specified on the data enquiry form.
- Images may not be re-used without prior permission of the copyright holder. Re-use of images may incur a further charge.
- Images may not be transferred or sold to third-parties without prior agreement.

## Environmental Data Collected in Dumfries and Galloway

The DGERC requests that where possible any additional data collected relating to Dumfries and Galloway as part of this or other projects should be passed onto the DGERC as soon as the project is completed, thus helping to build a more complete picture of biodiversity in the region and the UK as a whole.
